Bring Your "A" Game to Work & Life!

Imagine an association dedicated to be
So committed to a cause, read the mission and see

That every Manitoban be a literate one
A lofty ambition second to none

People like you, educators and more
Volunteering your time and energy to be sure

That every Manitoban can learn to read
You see the value, you see the need

That society will be better, that self esteem will grow
The more people read, the more people know

That to make the world a better place
We need words of encouragement and patience and grace

With passion, dedication and teachers like you
Manitobans will be literate and there will be few

People who won't know the joy of a book
The pleasure of reading and all that it took

Was educators like you who bothered to care
Thank you for the gift of what you share.
