Bring Your "A" Game to Work & Life!

## Payroll Professionals Tribute

Payroll professionals  
Who are these folks  
Behind the scenes  
They are the spokes

That hold the wheel in place  
Across this land  
So we can cash our cheques  
And get money in hand

We have no idea  
What goes on behind the scenes  
Tight deadlines and complexities  
Before we get to our banking machine

Last minute changes  
Quebec's special rules  
International payrolls  
Dealing with unions and fools ... can I say that? :)

People washing their cheques  
Giving you wrong banking info  
Gov't agencies, so much that  
You need to know

But your wins on the job  
Are many in fact  
From a payroll with no errors  
And no year end adjustments

Bring Your "A" Game to Work & Life!

You love helping people  
And coming up with solutions  
Even if you might be a little  
Full of delusions

That one day an employee  
Will happen on by  
And tell you their cheques perfect  
And you will probably die

Of shock and disbelief  
For the gratitude shown  
For your job in the background  
Little hot air is blown

Still you come off as  
The consummate pro  
Those you speak with  
Will never know

The challenges you face  
Day in and day out  
You payroll professionals  
Deserve so much clout

So hold your head high  
Be proud of your place  
Keeping bringing your 'A' game  
To your home and workplace

Because you truly matter  
Each little thing that you do  
Make our world easier  
So here's a BIG thank you!
