Bring Your "A" Game to Work & Life!

To the women who work at MTS
Planning and striving and doing their best

Trying to keep up in a man's world
Then going home & not coming unfurled

The stress of the job, more tasks in less time
Trying to look good, feel good, do good - gosh
- just pass the wine!

When will you get a well deserved break
You don't need one, silly, you're wearing the cape!

Don't take it off, you might just collapse
And drop to your knees and fall on your ... :)

Everyone's counting on you, don't you see
To tell them where to eat, sleep and be

A woman's work is never done
On the job, at home and on the run

How will we do it? When can we have fun?
The truth is it's just when we look after number one.
